

BETTER AI ANSWER? FIX THE QUESTION FIRST.

Reframing: rewrite the question before you send it

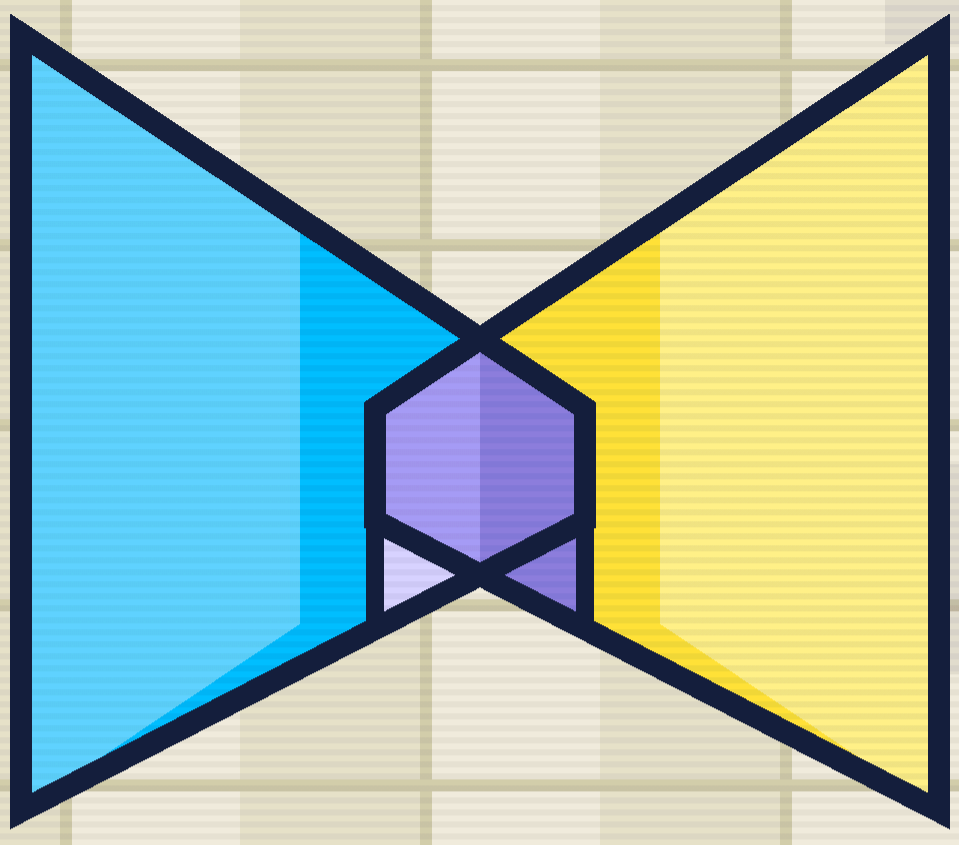

What reframing does

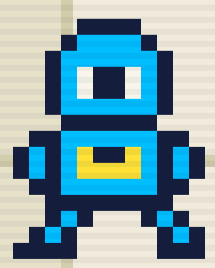

- Clearer context
- Drops hidden assumptions
- Points at the answer you need

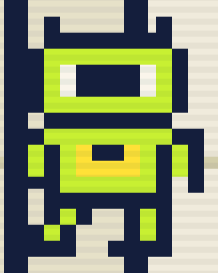

Reframing means rewriting your question before you send it.

THE BETWEEN FLOOR 3/5 TIME 59:34

BAD QUESTION?

DIRECTION.

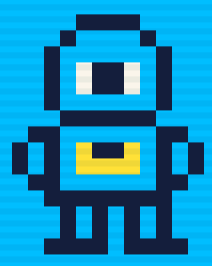

METAXIS

BROAD

"How can I improve my Instagram profile?"

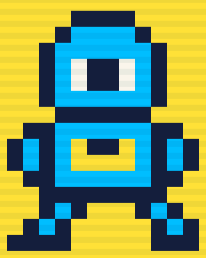

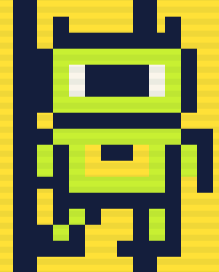

REFRAMED

Gives the AI a role, a measurable goal and a time horizon.

The broad question produces a generic list.

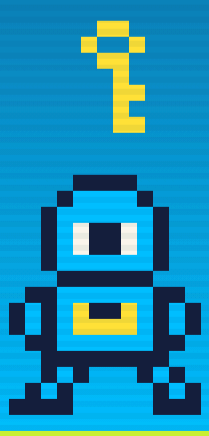

THE BETWEEN ROOF CLEAR

GOAL STILL UNCLEAR?

CLARIFY YOUR GOAL FIRST.
